

## StoneCastle Financial Corp. Announces Cash Distribution of \$0.38 Per Share For Second Quarter 2021

June 11, 2021

DENVER, June 11, 2021 (GLOBE NEWSWIRE) -- StoneCastle Financial Corp. (Nasdaq: BANX) ("StoneCastle Financial" or the "Company"), an SEC registered closed-end management investment company, today announced that its Board of Directors has declared a cash distribution of \$0.38 per share for the second quarter 2021. The distribution will be payable on June 28, 2021 to shareholders of record on June 21, 2021.

### Disclosures

A portion of the Company's distributions may, from time to time, include sources other than net investment income, including a return of capital. Investors should understand that a return of capital is not a distribution from income or gains of a Company. As required under the Investment Company Act of 1940, as amended, a notice with the estimated components of the distribution will be sent to shareholders at the time of payment if it does not consist solely of net investment income. The notice should not be used to prepare tax returns as the estimates indicated in the notice may differ from the ultimate federal income tax characterization of distributions. After the end of each calendar year, investors will be sent a Form 1099-DIV informing them how to report distributions received during that year for federal income tax purposes.
